is one of the leading cement factories in Ethiopia with a daily cement production capacity of 7,000MT and wants to invite potential suppliers for registration in our suppliers' database in order to have a long term business relationship developed on mutual interest thereby enhancing transparency in the purchasing process.

Based on the information collected, shortlisting of competent & reliable suppliers with the belief in win-win business will be carried out. For a smooth and continuous supply of different types of machinery equipment, mechanical and electrical spare parts, industrial items, etc. we need to make our purchases through restricted bid and other means. Thus, in order to consider your company as a potential supplier, we need to evaluate your company based on the following criteria. Hence please submit the following documents.

- Physical and postal address:
- Nature of entity -public company, a private company, partnership, sole proprietor,
- Appropriate registration numbers;
- Contact details-postal address, telephone number, facsimile numbers and e-mail if
- applicable;
- Name(s) of director(s), member (s), partner(s) & owner(s) principal(s) of the entity;
- Annual turnover of the entity or individual;
- Equity profile of the entity;
- List of products or services offered, linked to requirement categories of the company list;
- Capacity and capability statement;
- Specific expertise vested in the entity or individual, linked to requirement categories of the company list;
- A list of previous or current projects with at least three references, and
- Bank details (physical, postal and electronic banking address)
- Number of years stayed in the business in general and provision of the product

in particular
- Going concern ability of the company
- Financial strength.
- For additional information, you can contact us through our e-mail address,
