Request for expression of interest for consultancy service to undertake asset inventory and Management for Mekelle City Administration.

Mekelle City is located in the Northern part of Ethiopia, about 768 km North of Addis Ababa. The absolute location of the city is 13°35'N 38°17'E 14.100°N 38.283°E latitude and longitude respectively. The city is subdivided in to seven sub administrations (sub cities).

Mekelle city administration has a need to retain professional consulting services. The City is therefore issuing a Request for Proposals (RFP) from qualified consultants to assist the department with the development and implementation of a comprehensive Asset Management Program that will include, but not be limited to, the following: detailed asset inventory; identification of operations and maintenance tasks and programs, establishment and definition of levels of service; creation of long term funding strategies; clarification of the consequences and probability of infrastructure failures; development of minimum life-cycle costs for assets; and definition of critical assets, values and replacement costs.

Mekelle city administration intends to enter into a Professional Services Contract with selected consulting firm to provide the professional services described above. The selected firm will be asked to provide professional services on an agreed upon and specific scope of services and-fees. This project is in the City's Capital Improvement Project (CIP) Program.

The key issues to be addressed in this context were: data quality parameters

- Positional accuracy
- Attribute accuracy
- Temporal accuracy
