- Category: Road & Bridge Construction/

1. The Federal Democratic Republic of Ethiopia has received Financing from KfW Development Bank, A German Financial Cooperation with Ethiopia, towards Regional Fund for Improving Drought Resilience in Ethiopia. It is intended that part of the proceeds of this fund will be applied to eligible payments under the contract for the Procurement of Construction of Access Roads in Elidaar woreda of Afar National Regional State in Ethiopia.

2. The Bureau of Livestock, Agriculture & Natural Resources Development now invites sealed bids from eligible and qualified bidders (contractors) having RC/GC Category 2 Trade License and above for the delivery of the works.

Project Measures: The purpose of the project is to strengthen the production systems of the pastoralists and agro-pastoralists, to increase their income and diversify their livelihoods thus contributing to enhance the drought resilience of communities in selected cross-border regions in the arid and semi-arid lands (ASAL).

The project is implemented in Afar and Somali regions and is organized in three main components;

Water Resource Development and Rural Infrastructure,

Improvement of Rangelands and fodder production and

Alternative Livelihood Initiatives and Basic Service Development.

Requested Works: The Construction Rural Roads will contribute to the Component 1: Water Resources Development and Rural Infrastructure. The contractor will Construct 22 km Access Road Elidaar to Siyaro kebele in Elidaar wereda of Afar National Governmental State.
