Invitation to National Competitive Bid (INCB) for Health Facility Renovation in Tigray Region

Reference Number: 003/JSI-QHA-rfq/24 Date Issued: Sunday 13 October 2024

Project Title: Renovation of Health Facilities in Tigray Region

Issued By: JSI

I. Introduction

USAID Quality Healthcare Activity (QHA) aims at improving health outcomes through improved readiness of health facilities to deliver quality reproductive, maternal, newborn, child, and adolescent health (RMNCAH) services, increased management and accountability for quality service delivery, and restoration of services in health facilities in conflict-affected areas. QHA's strategies and implementation approaches will help the government of Ethiopia build public and private health care systems that are responsive, resilient, and sustainable. QHA will cover urban and peri-urban primary health care units (PHCU) and referral health facilities in selected regions and woredas. The Activity, through funding support from USAID, will be implemented by JSI in collaboration with Institute for Healthcare Improvement (IHI), MSI Reproductive Choices (MSI), Project HOPE, and Network of Ethiopian Women's Associations (NEWA).
