Open Bid Announcement for the Purchase of Solar Water Pump Sets

Organization: ADRA Ethiopia - Tigray Area Office, Axum

Project: Employment Prospects and WASH Project Location: Tigray Region, Ethiopia

1. Background

ADRA Ethiopia is a non-profit, non-political and non-governmental international organization operating in Ethiopia since 1982. Over the years, ADRA has implemented a wide range of humanitarian and developmental programs, including Education, Food Security, WASH, Livelihoods, Renewable Energy, and Capacity Building for government and non-government eholders across various regions of Ethiopia, including Tigray Region.

Since May 2024, in partnership with ADRA Germany, ADRA Ethiopia has been implementing the Employment Prospects and WASH Project in Tigray, Ethiopia, aimed at: Enhancing sustainable employment opportunities through skills training.Improving access to clean water, sanitation, and hygiene (WASH) services for IDPs and host communities.

In connection to this, ADRA Ethiopia seek to procure and install Solar Water Pump Sets to strengthen water supply systems in targeted Woredas located in Laelay Maichew, Tahtay Maichew, Rural Adwa and Tahtay Koraro.

2. Bid Invitation

ADRA Ethiopia invites qualified, eligible and experienced companies to submit sealed bids for the supply and installation of Solar Water Pump Sets as per the attached technical specifications.
*Note: the installation consists of replacing the existing hand pumps with solar-powered
