Invitation for open Bid

Project Title: Emergency and Post Conflict Rehabilitation Assistance for Vulnerable Communities in War Affected Tabias of Abergele District, Tigray Regional State.

Project No: P.136-2023-003

Subject: Purchase of Work (maintenance) of health post and primary school

Daughters of Charity (DoC) Tigray coordinating Office has been implementing various programs in the Tigray region since 1973, focusing on expanding services to marginalized communities. Over the years, DOC has established three additional service bases: one Alitena (Irob District) in 1974, another in Mekelle in 1985, and a third in Maichew in 2005.

Currently, the Daughters of Charity - Tigray manages six key programs aimed at improving the lives of vulnerable populations. These programs are focused on: Education, School Feeding, Health & Nutrition, Protection, Livelihoods, and Humanitarian Support.

DOC's operations span across the Eastern, ntral, Southeastern, and Southern Zones of Tigray, including the Mekelle city administration.

The DoC has always prioritized the dignity and development of individuals through essential services, including Water, Sanitation, and Hygiene (WASH) initiatives. In response to the devastating impact of the conflict that began in November 2020, DoC developed a project aimed at supporting vulnerable communities in the war-affected tabias of Abergele district, funded by Caritas Germany.

The Daughters of Charity Tigray (DOC) has consistently prioritized human dignity and development. through crucial services, including Water, Sanitation, and Hygiene (WASH)

programs. In response to the severe impact of the conflict that began in November 2020, DoC developed a project that focus on assisting vulnerable communities in war affected tabias of Abergele district funding from Caritas Germany.

The main goal of the project is to improve the health and well-being of conflict-affected populations by enhancing access to clean water and promoting hygiene practices. Specific objectives include:

0 Maintenance of school and health posts

DOC is committed to maintaining safe and ethical procurement practices. The organization enforces a strict zero-tolerance policy against any form of misconduct, including theft, fraud, corruption, abuse of power or authority, sexual harassment (SH), sexual exploitation and abuse (SEA), and discrimination. In addition, DoC adheres to core humanitarian standards and safeguarding principles, ensuring that all selected suppliers comply with these values. DoC also enforces a strict child protection policy, prohibiting the employment of children under the age of 18 in labor.

The Daughter of Charity now seeks to engage the Contractors for the maintenance of Health post to support vulnerable communities in the war-affected Tabias of Abergele District. The scope of the work includes:

1. Maintenance of 1 Primary School

2. Maintenance of 3 Health posts
