RE-ANNOUNCE FOR BID

VIDEO DOCUMENTARY AND PRODUCTION SERVICES

The Ethiopian Orthodox Tewahedo Church Development and Inter-Church Aid Commission (EOTC-DICAC), the development wing of the Ethiopian Orthodox Tewahedo Church, has been serving communities across the country for over five decades, engaging in both development and humanitarian interventions in all parts of Ethiopia.

EOTC DICAC Invites qualified and experienced video production companies to submit bids for the production of a professional video documentary. The assignment aims to produce high quality video content that effectively documents project activities, captures impact stories, and supports advocacy. awareness rising, and communication objectives.

This documentary highlights the importance of church forests as vital biodiversity hotspots in Ethiopia. Filmed across the Amhara, Tigray, Oromia, and South Ethiopia regions. it showcases how church and monastery forests protect indigenous and endangered tree species while serving as important ecological sanctuaries.

The flim also presents the Sustainable Church Forest Management Regional Program, which aims to strengthen church and monastery forest conservation, promote sustainable landscape management through green corridors, and improve the livelihoods of communities living around these forests. Interested applicants have to full fill all the requirements listed below.

- Proven experience in integrating arts, media, and storytelling into community development, environmental protection, or social advocacy programs are assets.
- Proven experience in documentary and professional video production and also Availability of a qualified and experienced production team
- Demonstrated Experience working with International and National Development Partners (NGO/CSO's) who can submit a sample video documentary
- Willing to travel in different part of the country
