the applicable bank exchange rate during payment.

- Suppliers must attach a renewed business license, TIN and VAT registrations.
- Supplier must have a legal invoice.
- The supplier must clearly indicate whether the price offer is before or after VAT.
- The price offer must be prepared using the price sheet provided in the tender document.
- Technical specifications should be detailed descriptions of the items. Legal documents/business licenses will not be considered as technical specifications.
- If the supplier fails to deliver within the specified days, GIZ-Office has the right to cancel the order. GIZ has the right to claim damages.
- The delivery locations are the specified sites, as outlined in the technical specifications and the attached sand and cement delivery points document.
- Supplier should present a document of Certificate of Origin (If the items are imported from abroad) for the Items to be purchased. In the absence of such document the supplier must fill in the attached self-declaration format.
- The offer might be rejected or disqualified:

1. if technical specifications and financial offers are not submitted separately,
2. if the reference number is not indicated on the subject line of the email.
3. if legal documents/licenses are submitted as technical specifications.
4. If the offer presented is incomplete, which signifies that it fails to encompass all the items that are included within a single lot.

- Please consider general purchase conditions attached for your offer preparation.
- The offer should be submitted in the language of the tender documents.
- The valid date of your offer should be 60 days.
- Payment will be made after delivery of the items upon submission of a valid invoice.
