RFP REF# PSI/010/2026: CALL FOR WASH

CONSTRUCTION BID IN TIGRAY REGION

Population Services International (PSI) is an international non-profit organization based in Washington. D.C., that hamesses the vitality of the private sector to address the health problems of low-income and vulnerable populations in Ethiopia and other countries, PSI Ethiopia works with both the private and public sector in HIV/AIDS prevention and Treatment. Sexual and Reproductive Health Non-Communicable Diseases and Water Sanitation & Hygiene (WASH).

Recent conflicts and droughts in the Tigray region have taken a toll on the livelihoods of millions of people. In response to this crisis, the WASH project has devised initiatives to address the situation and enhance access to drinking water and small-scale irrigation facilities in three districts of the region. These districts are Raya Azebo ,Hintalo and Kilte Awlaelo.

Therefore. PSI/E is planning to accomplish the termination construction of different multi-village water supply and small-scale irrigation schemes. The WASH facility construction works of the project will be implemented in Raya Azebo, Hintalo and Kilte Awlaelo woredas of Tigray region and categorized in LOT as follows:

LOT#	Name of Scheme	Type of scheme	Woreda
LOT-TIGRAY 01	Basala Soloka MVWSP	Water Supply	Raya Azebo
LOT-TIGRAY 02	Betemera MVWSP	Water Supply	Kilte Awlaelo
LOT-TIGRAY 03	Bete-Gebreal SSIP	Water Irrigation	Hintalo

Based on pre-qualification selection process carried out through PSI Office, we are giving this formal request for quotation/RFQ/ as PSI Ethiopia (Population Service International) to
