CALL FOR TENDER:

Construction of a Six-Bed Isolation Block at

Korem General Hospital

TENDER REF: ET127/2026/LOG/KGH/Isolation/10

Médecins Sans Frontières (MSF), which translates to Doctors Without Borders, is an international non-profit association. MSF provides assistance to populations in distress, to victims of natural or man-made disasters and to victims of armed conflict, irrespective of race, religion, creed or political convictions, and guided by medical ethics and the principles of impartiality, independence and neutrality.

In Ethiopia, MSF provides humanitarian assistance in different regions, including Tigray, Amhara and Afar, with its country coordination office based in Addis Ababa.

MSF Belgium is actively supporting Korem General Hospital (KGH) in Korem Town, Ethiopia, in collaboration with the relevant Regional Health Bureau and hospital authorities.

As part of its support to Korem General Hospital and in response to the need for improved infection prevention and control and patient isolation capacity, MSF plans to construct a dedicated six-bed Isolation Block within the hospital premises.

The planned facility will have a capacity of six (6) individual patient bedrooms/beds and an approximate total floor area of 192 m². The construction works will include the building and associated works as detailed in the tender documents, drawings, technical specifications and Bill of Quantities (BoQ).
To support this initiative, MSF Belgium is seeking qualified and experienced
