RE-ADVERTISMENT

INVITATION FOR ARCHITECTS & ENGINEERS FIRMS REQUEST FOR THCHNICAL AND FINANCIAL PROPOSALS

1. Background: Cooperazione Internazionale- COOPI is implementing the project "Axum: Conservation, Accessibility and Sustainable Development" in Axum town, Tigray Region. The project aims to the conservation and sustainable valorization of the archaeological site of Axum and to the improvement of services connected with the site, while strengthening accessibility, institutional coordination and sustainable tourism development. Technical and regulatory coordination will be maintained with the Ethiopian Heritage Authority (EHA), the competent Tigray regional culture and tourism authority, Axum municipal and site-management structures, AICS and other institutions formally involved in the project. COOPI remains the Contracting Authority and retains responsibility for procurement, contractual decisions, budget management and overall project management. To support the technical preparation and implementation of the works, COOPI intends to hire a consultancy firm of architects and engineers.

2. Project Title: "Axum: Conservation, Accessibility and Sustainable Development" in Axum town of Tigray Region.

3. Tender Publication Reference

Publication Reference: PTN - 042/2026
